Hoping for your name on the door someday?

Name on the door! Carpet on the floor! It can happen to you. Just keep your nose to the flintstone — keep sparking with those bright ideas. Meanwhile, consider a really brilliant idea from your New York Life Representative. It's modern life insurance for college students. It offers excellent protection now for the benefit of your parents and, later on, for the family you'll have. What's more, this life insurance can provide the ready cash (no questions asked) you may one day need to convert one of your bright ideas into a going business. Speak with your New York Life Representative before the term ends! There's no obligation, and someday you will be glad you did!
